Webinar Series No.-4

The poster for the webinar features the logos of Yene Pooya Deemed to be University, Indian Prosthodontic Society Karnataka Branch, and Yene Pooya Dental College. The main title is 'TMD & ITS MANAGEMENT' with 'Speaker' written below it. A large blue arrow points to the speaker's name, Dr. Sanath Shetty, who is also listed as Prof & Head of the Department of Prosthodontics at Yene Pooya Dental College and President of the IPS Karnataka Branch. Below the speaker information, three panelists are introduced with their names and titles: Dr. Sunil Dhaded (Prof & Head, Dept of Prosthodontics, AMES Dental College, Raichur, Secretary IPS Karnataka Branch), Dr. Dhakshini MR (Deputy Director, Prof, Dept of Prosthodontics, JSS Academy, Mysore), and Dr. Raghunath Patil (Professor, Dept of Prosthodontics, KLE VK Institute, Belgaum). A red box on the left specifies the date as 21 Oct 2020, Wednesday, at 11:00 AM, and the platforms as Google Meet and Youtube. The word 'Panelists' is written at the bottom right of the poster.

REC Sanath Shetty is presenting

▶ **Myofascial pain dysfunction** - This is the most common TMJ dysfunction and usually involves muscle imbalance with muscle spasm and pain. This has a multitude of causes such as stress, grinding of teeth, instability of the bite and others.

Myalgia usually presents as a dull aching pain due to muscle injury or strain.

▶ It is commonly seen in acute forms, though, with continued muscle tension, can present for longer periods of time

Webinar on | INTRAORAL IMPLANT SUPPORTED FRAMEWORK DESIGNS AND MATERIALS FOR MFP

“
Intraoral maxillofacial defects pose different challenge in rehabilitation with implants as compared to routine implant cases. This lecture will cover how the various materials and techniques evolved over a period time till date. It will cover critical factors,tips and tricks involved in designing the prosthetic frameworks and it's application in treating various types of MFP cases including maxillectomy, mandibulectomy due to various pathologies and trauma.
”
